

Thank you so much Mrs. Buckler.

I had a blast listening to your story. It made me feel like I was there! I learned few things.

Your first book took you a few years, but you didn't quit. Instead you became stronger by kneeling down and praying for God to give you strength to finish that book. Once you finished it, your second book took twelve days that just inspired me!

"I can do all things through Christ who gives me strength."

I loved the way you told your story so much I bought your book it is coming in soon.

Thank you so much for taking the time to talk at our school and telling us your stories!

God has many plans for you.

Many blessings,

Katie Froelich

Dear Mrs. Bucklen,

Thank you so much for taking your time out of your day and coming to Sterling to talk about your books. When you answered our questions it gave me a feeling that I have never felt before, like a feeling that I want to be an author when I grow up. You have inspired me to stand up for myself and be strong.

I don't know and won't know until I am older, if I will get to be an author like you are. I just want you to know God gave you an amazing talent to sit down on the computer for a long amount of time and write a 500 page book. You inspire so many kids to read more and pay more attention in writing class.

Thank you so much for showing us the trailer of your book. It was amazing and very creative. Again, thank you for coming to Sterling and I can't wait to read your awesome and creative books.

Love,

Heaven Chody
